Regarding: Your Application with No 2436/19.09.2018 for issuing an opinion on compliance with Hazard Analysis and Critical Control Point /HACCP/ system in facility "Facility for manufacturing of food supplements".

Dear Mr Kuzev,

Regarding your inquiry we hereby inform you that according to Art. 12, para. 1 of the Food Law, production and trade with foods in the country is done only in facilities registered within the meaning of the law, which:

1. comply with the hygienic and/ or veterinary-sanitary requirements stipulated in a regulatory act;

2. have technological documentation developed for the groups of foods, which will be manufactured in the facility, or apply national standards or standards developed by industry associations and approved by a competent body;

3. have introduced:

a) good practices for manufacturing and trade with foods and a system for hazard analysis and critical control points, or a procedures in accordance with its principles, when the complete implementation is inapplicable;

b) food safety management system.

The facility concerning your inquiry, namely "Facility for production of food supplements" in Plovdiv, 12 Kuklensko Shose Blvd, has a Certificate for registration in accordance with Art. 12 of the Food Law with No 01713/07.06.2017 issued by Regional Food Safety Directorate Plovdiv, and is entered in the national register of the facilities for production and retail of foods under No 16080096. According to Art. 12(9) of the Food Law, Certificate of Registration is issued only if the manufacturer or the trader has proved that the facility complies with the regulatory requirements, i.e. if the abovementioned paragraph 1 of Art. 12 of the Food Law has been complied with, and there is introduced and functional HACCP system and GMP.

Respectfully yours:
